

House Protocols

We have implemented a few "House Protocols" to ensure the safety of our patrons & staff alike. We look forward to serving you in the safest way possible.

GUESTS

- We suggest you make a reservation prior to your arrival.
- Walk-ins are required to wait 6 feet apart from each party.
- All guests are required to wear a face covering when entering and circulating through the restaurant.
- We encourage you to wash your hands and/or use the hand sanitation stations provided at the front and through out the restaurant.

OUR TEAM

- Our crew is required to wear a masks during the duration of their shift.
- The use of gloves is required when clearing a table.
- Our staff is required to wash their hands after interaction with a table.
- One crew member is on Sanitation duty per shift. Sanitizing windows, entrance, and bathrooms every hour.
- All tables are properly sanitized after a party leaves.

Stay Safe!
